## Arrangements

We understand the after funeral buffet that we provide is an important part of the proceedings, all our staff conduct themselves with the utmost respect in these difficult times. And they will do all they can to ensure that it all runs as smoothly as possible. When making a booking please ensure that any special requirements are discussed no matter how small, we can cater for most dietary requirements, at no extra cost. We appreciate how difficult it is for families to gauge how many people they

think will attend the reception and worry that the arrangements will be enough, or in fact too much. So this is why we encourage families to slightly under book as we will do a head count and cater accordingly. We would rather cater for an extra 10 people once they arrive than charge you for 10 that didn't. All our buffet menu's include unlimited Tea and filter coffee for the duration of your booking which we allow 1 ½ hours this can be extended if you wish for a small extra charge, subject to availability at time of booking.
